DAY OF ACTION THUR 26 FEBRUARY
RALLY 1-1.30pm National Gallery MARCH 1.30pm

The National Gallery has told 400 of its 600 staff they are to be taken over by a private company. They are responsible for the security of the paintings and the public and look after the millions of visitors.

The National Gallery is the only major museum that does not pay the London Living Wage.

FORTY THOUSAND SAY PRIVATISATION NO WAY

Over 40,000 people have signed our petition and supported our campaign to halt the privatisation.

The Gallery has brought in a private company CIS to “temporarily” take over services in a third of the gallery at the additional cost of hundreds of thousands of pounds of public money.

REINSTATE CANDY UDWIN

Candy, a senior PCS rep, was suspended for drafting a question for the PCS Negotiation Officer about the cost of CIS. 8500 have already signed the statement condemning this victimisation and calling for her reinstatement.
